I'm a partner in the commercial team, specialising in technology, IP and software. Prior to becoming a lawyer, I was an engineer and a software developer and my clients value this aspect of my expertise.

With over 20 years' experience, my clients can depend on me no matter how complex the issue and I enjoy working collaboratively with them to get the end result they want.

I enjoy learning about novel technologies and working with cutting edge clients pushing the boundaries of what can be accomplished.

I am ranked in the leading legal directory, Chambers and Partners 2024.

Areas of expertise:

- Confidentiality
- Cryptocurrency
- **Data protection**
- E-commerce
- Information technology (software development and licensing, SAAS)
- **Intellectual property**
- Outsourcing/procurement
- Commercialisation of IP

Qualifications and memberships

- Admitted as a solicitor in March 1999
