My role is to bring together people across the business to help make a positive difference to our clients, our people, our community and our planet.

I am also a corporate lawyer with more than 25 years' experience of working with businesses of all sizes on a full range of corporate and advisory matters.

Many of the clients I work with are in the insurance sector where I advise businesses on their growth and exit strategies.

I also specialise in working with and delivering transactions for complex shareholder groups who often have diverse or conflicting interests.
