I'm a partner and head of the commercial team. I use my advanced contract drafting skills and knowledge of IT, IP and data protection law to advise clients and help achieve their objectives.

I specialise in non-contentious commercial law, with a particular focus on technology and data protection related matters.

Clients I work with include data management companies, online travel agents, investment managers, hosted service providers and digital media agencies.

I also advise a wide range of corporate clients in other sectors with their commercial contract requirements.

Areas of expertise:

- Software, SaaS and other technology agreements
- **Data protection**
- Distribution and agency
- Travel and hospitality
- E-commerce
- Joint ventures and commercial collaborations
- Service contracts
- **Intellectual property**

Qualifications and memberships

- Admitted as a solicitor in October 2006
- Member of the Society for Computers and Law
