I'm a senior paralegal in the commercial property team, working alongside other members of our busy team to help deliver excellent service to a wide variety of clients.

I have many years' experience of working within a law firm prior to moving into a paralegal role.

I find it rewarding to assist clients with their transactions and help them to achieve their aims as part of a lively and busy team.

I enjoy the variety of work and the opportunity to develop my knowledge and skills.
