I'm a partner and head of one of the largest commercial real estate teams and also the retail and leisure sector. I'm a commercial lawyer who takes a pragmatic approach. I build teams that get things done.

I deal with all kinds of commercial property transactions, specialising in advising businesses of all shapes and sizes on their occupational property interests.

I head up the retail, leisure and hospitality sector and have a real passion for helping luxury retailers and fast growing, innovative businesses expand into the UK market.

My team enjoy getting deals done with a minimum of fuss to allow our clients to focus on the exciting work of growing their business and brand.

I always listen to what my clients are looking to achieve first and then work out the best and most efficient way of getting them there.
