I am a partner in the [property dispute resolution](#) team where clients value my commercial approach and experience, and my ability to analyse complex matters and to find practical solutions.

I have experience in dealing with the full spectrum of property disputes but particularly specialise in commercial landlord and tenant matters and issues facing property developers.

My clients include developers, commercial landlords, charities and social housing providers, individual land owners and insolvency practitioners.

Areas of expertise:

- Commercial landlord and tenant
- Business lease renewals
- Forfeiture claims
- Dilapidations claims
- Claims for adverse possession and prescriptive rights
- Property-related insolvency
- Claims relating to covenants and easements
- **[Professional negligence](#)**
- Contractual disputes

Qualifications and memberships

- Admitted as a solicitor in January 2008
- Property Litigation Association
