I am an associate in the commercial team, able to advise, review, draft and negotiate on a broad range of commercial contracts and intellectual property issues.

I am part of an experienced team that assists clients with their tech, media, telecoms, and general commercial requirements. I work with a variety of businesses from small start-ups to large corporations, across all sectors. Clients value my strong interpersonal skills, practical approach, business awareness and my reliability.

I enjoy learning about novel technologies and innovative businesses. I take the time to understand the specific needs and priorities of my clients, in order to help them to achieve their commercial objectives.
