As a trusts administrator in the private wealth team, I assist the team with all aspect of trust administration.

I work closely with my team and enjoy providing excellent client support. My favourite aspect of my role is to help clients when needing our support. I have over 20 year administration experience and I have worked in the City for a number of years before joining Cripps. I am involved in a wide-range of trusts administration duties everyday, ensuring each day is never the same. This year I will be studying for STEP Foundation professional qualification.
