I am a partner in the private client team and specialise in inheritance and trust disputes. I am supportive, empathetic, commercial and results driven.

With nearly 30 years' experience in contentious trust and inheritance cases, I have represented numerous clients in complex and high-profile disputes.

While I have a particular focus on seeking to settle most cases out of the public eye, achieving results by mediation and negotiation, cases are pursued with determination and resolve through the courts if that is what is necessary to achieve the best result for a client.

I pride myself on being able to rapidly build a relationship and work with clients to quickly solve problems by identifying pragmatic solutions.

I am ranked in the leading legal directory, Chambers and Partners UK High Net Worth 2023, for Private Wealth Disputes – The South (band 1). In Citywealth, I received a top ranking for Contentious Trusts, and am featured in the Top 100 International Private Client Litigation Lawyers 2023.

I am also recognised in the Spear's Tax & Offshore advisers' index as a 'Top Recommended 2023 Contentious Tax & Trusts Lawyer'.
