I am a senior associate within the residential conveyancing team; a fantastic team of people with a wide range of expertise.

I have worked at Cripps for over 17 years, starting as a trainee legal secretary and working my way up to a senior associate.

I have worked in various property teams including commercial property, new homes and, for the last five years, as a lawyer in residential conveyancing.

I like to apply a personal touch to my work, listening to my client's needs and helping them to achieve their chosen outcome, whether that be the sale or purchase of a home, a remortgage or a gift of a property to their son or daughter.

Areas of expertise:

- Sale and purchases
- Lease extensions (both voluntary or statutory)
- Transfers of equity
- Remortgages

Qualifications and memberships

- Chartered Legal Executive (January 2021)
- CILEX (Chartered Institutes of Legal Executives)
- Admitted as a solicitor in February 2012
