

Future leaders – AI for professional services

Join us for an exclusive networking event on artificial intelligence!

Are you interested in the future of artificial intelligence and its impact on professional services? Then mark your calendar for an evening of insightful discussions, networking, and delicious refreshments!

[Lowri Jones](#), who has a passion for legal technology, will be our guest speaker for the evening. With her experience, she will shed light on the transformative power of AI in the legal industry and beyond.

Event Highlights:

- Gain insights into AI from our distinguished guest speaker.
- Network with fellow professionals from various industries.
- Enjoy delicious pizza and sparkling refreshments.

Don't miss this opportunity to connect with like-minded professionals, share insights, and expand your professional network.

Why attend a future leaders event?

Our events are always creative, interactive and of course fun! There is always an opportunity for networking to increase your confidence in marketing and to make connections of your own.

Our events are always free to attend but please RSVP to book your place.

Who should attend?

Our events are open to anyone from any industry and who is at a stage in their career where they want to expand their network and build relationships with other young professionals. Please feel free to forward this event to others in your network.
