

Impressive rankings for Cripps in Chambers 2024

Cripps has once again been recognised nationally and regionally in the Chambers UK 2024 Guide for its wide-ranging legal expertise.

Chambers and Partners is considered to be one of the leading independent UK legal directories. Rankings are based on extensive research which include interviews with clients, legal commentators and other professionals.

In its 2024 edition the UK guide has ranked Cripps in 15 practice areas across London and the South, with five areas achieving band 1 rankings. In the high-net-worth guide, Cripps is ranked in a further five areas with three top band rankings.

In the editorial, clients highlight the firms “highly aware lawyers who are ever ‘on point’ and in touch with market values in all commercial areas.” Its M&A team are praised for “high service levels” and responsiveness whilst in litigation, clients appreciate the teams “strong commercial understanding of the need to resolve disputes in an effective and efficient way”. Real estate clients praise the firms ability to take on complex projects and ability to provide “a balanced view to assist where decisions are required”. One client states “for residential and leasehold enfranchisements Cripps is a go-to firm”.

In addition to its practice rankings, 32 lawyers are recognised as being leaders in their field.
