

The National Planning Policy Framework webinar: places and spaces

In this series of webinars on The National Planning Policy Framework we are considering the impact of important planning changes, clarification and new consultations. We hosted this webinar jointly with [Andrew Black Consulting](#).

Here's what we discussed:

- Housebuilding in London and the London Plan
- Confirmation on 4YHLS vs 5YHLS on para 11d
- Revisions to Class MA PD Rights and consultation on other changes to PD Rights

John Tarvit from [Wates Developments](#) also joined the conversation, sharing his insights and the perspective of a major developer, including his [recent whitepaper](#) submitted to Downing Street in February.
