

Training contract programme: online insight session

Hear from partners and associates about life at Cripps at this year's online insight session.

Join us online on Zoom for our insight session on **Tuesday 5 December from 13:00 – 14:15** to find out more about Cripps and our training contract programme.

In this session, partners from our real estate, corporate and private client teams will tell you about the work they do and what it is like to work in those areas. We will also be joined by some of our associates (who all trained at Cripps) who will tell you about life as a Cripps trainee. They will also be available to answer your questions.

Annabel Goh, emerging talent manager, will also join the session to tell you about our training contract recruitment process
